

NEW ANDERSEN WINDOW COLORS

Andersen windows has released a new group of colors as well as a whole new window line. This new window line is called the A Series and is meant to be the top window in their lineup. The new added colors are Canvas, Dove Gray, Prairie Grass, Red Rock, Cocoa Bean, Dark Bronze and Black. This is in addition to the 4 existing colors of white, Sandtone, Terratone and Forest Green.

Andersen has also added the capability to receive this new window series with the interior of the window pre-finished. The new window is available in pine, maple and oak wood species. The interior is also offered pre-finished with your choice of 6 stain colors or painted in 2 choices of paint colors, White and Birch Bark.

We have installed a new A series door in our showroom.

The door is a Red Rock exterior with a Cinnamon pre-finished interior. This door is also installed with the new pre-finished exterior trim kit, cornice top in Cocoa Bean color.

We are the only Andersen Circle of Excellence dealer on the Central Coast. We are the place to buy your Andersen windows.

As always thank you for you business.

Sincerely,

Central Coast Door and Window
